## Personalised approach

Our approach is to provide our clients with market insight and personally tailored strategic advice to deliver innovative, fit for purpose insurance and risk solutions.

## Our expertise

Our industry expertise allows us to access a wide range of specialist local and global insurance markets to ensure we provide our clients with the right advice and level of protection.

Insurance Advisernet was founded in 1996 and is one of the largest and most respected general insurance businesses in Australia and New Zealand.

As part of the AUB Group, an ASX-listed company with over \$3.2 billion in premium under influence across the AUB network, our buying power spans major insurers in Australasia as well as access to major overseas insurers.

HMD is a proud supporter of the Insurance Advisernet Foundation, which over the past 10 years has contributed over \$2.5 million to more than 30 different charities.
